

Today, WinGroup is announcing the appointment of Rickard Lindqvist as CEO of WinGroup, effective August 1, 2018.

Rickard Lindqvist will join the WinGroup family from Lindab Group, where he has held the position of Regional Manager of Lindab Groups businesses in Central and Eastern Europe. Prior to that, he has held various international assignments in Spiro Group, including Managing Director and CEO, during a period of ten years. Rickard holds an MSc in Business Administration from the University of Uppsala, Sweden.

Rickard Lindqvist will succeed Anders Knutsson, whose contract with WinGroup expires in 2018. I would like to thank Anders for his valuable contributions over the past four years. Anders will hand over his responsibilities to Rickard as of August 1 and to ensure a smooth transition for WinGroup customers and employees, Anders will work in parallel with Rickard for a short period.

Please join me in welcoming Rickard to the WinGroup family. I wish Anders all the best in his future endeavours.

Lars Lindgren

Chairman of the board, WinGroup AG
